

NORDHOFF PARENT ASSOCIATION

MEMBERSHIP FORM

2015/2016

In order to enrich the lives of students, their families and the community, the Nordhoff Parent Association supports the growth of academic, athletic, and artistic excellence at Nordhoff High School. The NPA is a link for parents to be informed and actively involved.

During the 2014 - 2015 year, the NPA contributed over \$29,5000 to pay for athletic awards and entry fees, provide grants to the drama, dance, and music departments, provide funds to the peer tutoring program, College and Career Center, and computer classes, pay for athletic/academic equipment, student appreciation and scholarships. The Nordhoff Parent Association needs your membership donation to continue helping our students throughout the 2015-2016 year. There are three levels of membership participation:
